

**W dniach 17 i 18 listopada odbędzie się interesujący
Workshop Akademii Wiedzy PIME z cyklu „Gospdarka
wodorowa w energetyce i transporcie - mapa drogowa
dla Polski”. Workshop poświęcony będzie
analizie strategii wodorowych na świecie.**

Wśród prelegentów gościć będziemy ekspertów ze Szwecji, Stanów Zjednoczonych, Niemiec, Francji, Wielkiej Brytanii, Japonii, Włoch i Czech. Opowiedzą oni min. o tym jak gospodarka wodorowa rozwijała się i rozwija w ich krajach, a także jakie są dalsze strategie jej rozwoju.

Workshop Akademia Wiedzy PIME „The world strategy of the
Hydrogen Energy”

Workshop 17 – 18 November 2020

THE HYDROGEN ECONOMY IN POWER INDUSTRY AND TRANSPORT – A ROAD MAP FOR
POLAND „The world strategy of the Hydrogen Energy”

We would like to invite everyone interested in the subject of the hydrogen energy to
participate in PIME workshop. This time you will know the hydrogen strategy of the
